## Master Builders Australia National Business Excellence

Edifice Construction has been recognised as Australia's best at the Master Builders National Business Excellence Awards in Melbourne, where they were awarded Small Residential Building Business of the Year.

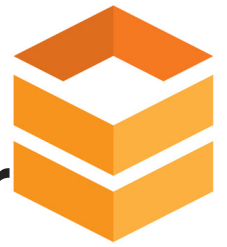

The judges noted the combined passion, expertise, and experience of husband-and-wife founders, Ellissia and Dugald Campbell and their team, who actively prioritise business excellence.

Rigorous criteria acknowledged the quality of building work, strong customer and supplier relations, and Edifice's astute project and financial management.
